

Maximize  
independence in  
the comfort of  
your home.

## Empowering older adults to live life to the fullest!

Our occupational therapist will come to  
your home to help you maintain and  
increase your independence.

### BENEFITS

1. You do not need to leave your home, we come to you.
2. No “home bound” requirements.
3. Individualized care provided by an experienced occupational therapist.
