Start Your Child's ABA Journey With Confidence

New to ABA Therapy? Our Bright Beginnings program is designed to provide comprehensive support and guidance to your family before your child starts ABA treatment at our centers.

What to Expect in Bright Beginnings:

- Weekly sessions with a Board Certified Behavior Analyst (BCBA).
- Ensuring alignment with the BCBA on crucial areas of support that the child requires throughout their treatment.
- Ongoing assistance extends beyond the initiation of services, with the BCBA offering bi-monthly parent collaboration meetings to ensure continued support as your child progresses in their ABA journey.

Areas of Focus in Bright Beginnings
