Sensory  
Spot

M-F: 9am-6pm

Saturdays: 9am-3pm

The Sensory Spot is a welcoming and inclusive play space for children of all ages, offering a variety of sensory experiences. Our sensory tables feature changing themes, while textured walls and tactile bins encourage independent play and creativity. We provide comfort items like weighted lap pads, blankets, noise cancelling headphones, and comfortable seating, as well as blackout tents. Our aim is to create a supportive community where families and individuals from diverse backgrounds can connect, share resources, and feel safe and loved while freely expressing themselves and engaging with the world around them. We value feedback and look forward to welcoming you to our space!
