

Spectrum Parent Adventures (SPA) meets:

Second Saturday of EVERY month from 6:00 to 8:00 pm at The Autism Community Store. (We turn on Zoom too, so you can participate from home if needed).

Do you want to connect with other parents and caregivers who have kids on the autism spectrum, or with sensory processing disorder? Maybe your child doesn't have a diagnosis but you're wondering about some traits you see in your child?

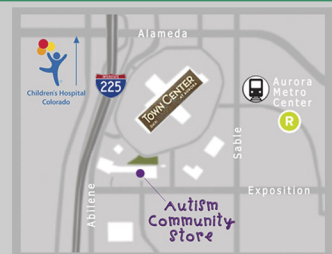

Could you use a couple of hours to hang out with an understanding group of people who just get it?

Come join our community of folks who DO understand what parenting a child with autism or SPD is like. We share our stories, resources, challenges and triumphs each month and hopefully we leave just a little bit lighter as we continue the journey.

*All participants get 15 percent off at the store-just mention you're a part of SPA or Parent Support to get 15 percent off your purchase anytime.

In an effort to offer caregivers a place to recharge and connect, we kindly ask that you use Zoom if you don't have childcare or respite. If you need respite referrals, please reach out to us at the store by calling 303-309-3647 or email: connect@autismcommunitystore.com.
