

## Meaningful Programs, Joyful Engagement

In a joyful and creative environment, Foundation for Successful Living provides opportunities for individuals to discover their passions.

FSL was created to foster a culture where individuals can feel safe and supported while exploring and trying new experiences to facilitate their growth. We provide programs to teach individuals to live independently, participate and travel within the community, and to develop peer groups through appropriate social interaction and opportunity.

Our programs coordinate meaningful volunteer opportunities and experiences that enhance the lives of our clients. Volunteer work includes developing job skills at WeeCycle, volunteering with Denver Parks & Recreation, ALD Thrift Store and more. Clients are encouraged to pursue interests of their choice and to participate in fitness and social activities in the community.

Program hours are Monday–Thursday 9:00 a.m.–2:00 p.m. Client to staff ratios are typically 1:4-6 and allow the individuals to learn, grow, become independent, and contribute to the community in their own way.
